Mallika Mujgule

Product Designer | MA Innovation Design Management (graduating February 2027)
Berlin, Germany | +49 172 7689957 | mallikamujgule08@gmail.com | LinkedIn | Portfolio: mallikamujgule.vercel.app

SUMMARY

Product Designer with 4+ years of experience across fintech, B2B industrial platforms, IoT and AI-enabled products, based in Berlin. Experienced in taking complex workflows from user research and problem definition through interaction design, prototyping, usability testing and delivery, in close collaboration with product managers and developers. Uses AI-assisted prototyping workflows (Claude, Lovable, Google AI Studio) alongside Figma.

WORK EXPERIENCE

Werkstudent UX Designer, FYTA Jan 2026 - Present
IoT plant-tech startup (app + sensor hardware) *Berlin, Germany*

- Designed 20+ screens and end-to-end user flows for the FYTA mobile app, working across user research, interaction design, prototyping and iteration.
- Designed the plant journal, sensor self-calibration and probe testing flows for the FYTA app.
- Accelerated concept-to-build turnaround by 2-3x by adopting AI-assisted prototyping workflows using Claude across the design process.
- Built a sensor data analysis tool for FYTA's backend using AI-assisted development.

Senior Product Designer, Onething Design Jan 2025 - Aug 2025
Client: Thermax EDGE, B2B asset tracking platform *Pune, India*

- Led the UX audit of EDGE and identified 12+ usability issues through usability testing with 6+ industrial users using the Double Diamond method, leading to a full redesign.
- 25% projected reduction in user journey and task time by redesigning 10+ screens of the B2B asset tracking platform.
- 30% projected drop in routine status calls and 25% faster spares quotes through a single asset page for status, warranty and spares.
- Drove cross-functional alignment between product managers, developers and stakeholders on business and user goals.

UX Designer, Sparklin Jun 2022 - Oct 2024
Client: ICICI Bank (fintech) *Pune, India*

- Impacted 3M+ users through redesigns of ICICI Bank's web and mobile fintech modules.
- Improved usability by 60% by streamlining user flows (online lockers, Discover, retirement journey).
- Grounded design decisions in desk research, competitive benchmarking and A/B tests of design variants with ICICI teams.
- Managed the ICICI client relationship end to end, presenting each design round and securing sign-off.
- Managed and mentored a team of 3 design interns; supported hiring by interviewing 10+ UX intern candidates.

Architect, Shashi Prabhu and Associates Feb 2021 - May 2022
Healthcare, residential and government stadium projects *Pune, India*

- Delivered 15+ projects on time and contributed to 20% higher client retention through 3D-visualised client presentations.

Architectural Intern, Shashi Prabhu and Associates Jun 2019 - Nov 2019
Healthcare, residential, educational and commercial projects *Mumbai, India*

EDUCATION

M.A. Innovation Design Management, University of Europe for Applied Sciences Sep 2025 - Feb 2027 (expected)
Currently enrolled *Berlin, Germany*

Bachelor of Architecture, Dr. Bhanuben Nanavati College of Architecture Mar 2015 - Apr 2020
CGPA 8.7/10 *Pune, India*

SKILLS

UX & Product: User Research, Usability Testing, A/B Testing, Heuristic Evaluation, Journey Mapping, Information Architecture, Interaction Design, Mobile App Design, Wireframing, Prototyping, Design Systems, Responsive Design, Design Thinking, Design Strategy, Agile Collaboration, AI-Assisted Workflows

Tools: Figma, Claude Code, Lovable, Google AI Studio, Framer, Zeplin, Miro, Notion, Photoshop, Blender

Soft skills: Cross-functional Collaboration, Stakeholder Management, Systems Thinking, Storytelling and Design Communication, Business Acumen

Languages: English (C2), German (A2), French (A1), Hindi (C2), Marathi (C2)

CERTIFICATIONS & AWARDS

- McKinsey.org Forward Program: problem-solving, leadership, collaboration and digital transformation
- California College of the Arts: Visual Elements of User Interface Design
- FutureLearn / Accenture: Digital Skills: User Experience
- Maharashtra DBT Government Scholarship (5 years of undergraduate study)
